

OUR STORY

Aurélia's passion for cooking blossomed in her grandmother's kitchen in Lyon, where she learned the art of creating simple yet flavorful dishes. After a decade-long career in interior design, Aurélia followed her dream and opened the first Chez Antoinette in Covent Garden in 2014.

Joined by her husband, Jean-Baptiste, who comes from a hotelier background, they expanded their vision with the opening of Chez Antoinette Victoria five years later.

Together, they continue to share their love for hospitality and traditional French cuisine with Londoners and visitors alike.

Located in the heart of Covent Garden, Chez Antoinette is a little piece of France brought lovingly to London in 2014. Every detail, from the antique crockery to the handpicked furnishings, has been chosen by Aurélia to evoke the atmosphere of her grandmother's table in Lyon.
